Empathy Map

empathy map to understand your customer/user from four

SAYS - I have multiple loans to repay. - I need a simple financial recovery plan. - I want to avoid missing EMI payments.		THINKS - Which loan should I repay first? - Will I ever become debt-free? - Can AI recommend the best repayment strategy?
Borrower Individual with Multiple Loans		
DOES - Tracks income, expenses, and loan balances. - Pays EMIs and bills regularly. - Uses banking and budgeting apps.		FEELS - Stressed because of financial burden. - Confused by multiple repayment options. - Worried about late payment penalties.
